- A. Though Crazianna is a big country, it has never received respect from its neighbours.
B. It is Crazianna, a big country, that has never received respect from its neighbours.
C. Crazianna has never received respect from its neighbours because it is a big country.
D. Crazianna is such a big country that it has never received respect from its neighbours.

Mark the letter A, B, C, or D on your answer sheet to indicate the word that differs from the rest in the position of the main stress in each of the following questions.

Question 9: A. represent B. permanent C. sentiment D. continent

Question 10: A. future B. involve C. prospect D. guidance

Question 11: A. accuracy B. fabulous C. immediate D. optimist

Question 12: A. facilitate B. intimacy C. participate D. hydrology

Question 13: A. reduction B. popular C. romantic D. financial

Mark the letter A, B, C, or D on your answer sheet to show the underlined part that needs correction in each of the following questions.

Question 14: A professor of economy and history at our university developed a new theory of

the relationship between historical events and financial crises.

Question 15: During our tour of the refinery, it was seen that both propane and gasoline

were produced in large volumes.

Question 16: Publishing in the UK, the book has won a number of awards in recent regional book fairs.

Question 17: Hardly did he enter the room when all the lights went out.

Question 18: The first important requirements for you to become a mountain climber are your

strong passion and you have good health.

Read the following passage adapted from Understanding Rural America - InfoUSA and mark the letter A, B, C, or D on your answer sheet to indicate the correct word for each of the blanks from 19 to 28.

The well-being of America's rural people and places depends upon many things - the availability of good-paying jobs; (19)_____ to critical services such as education, health care, and communication; strong communities; and a healthy natural environment. And, (20)_____ urban America is equally dependent upon these things, the challenges to well-being look very different in rural areas than in urban areas. Small-scale, low-density settlement (21)_____ make it more costly for communities and businesses to provide critical services. Declining jobs and income in the natural resource-based industries that many rural areas depend on (22)_____ workers in those industries to find new ways to make a living. Low-skill, low-wage rural manufacturing industries must find new ways to challenge the increasing number of (23)_____ competitors. Distance and remoteness impede many rural areas from being connected to the urban centers of economic activity. Finally, changes in the availability and use of natural resources located in rural areas (24)_____ the people who earn a living from those resources and those who (25)_____ recreational and other benefits from them.

Some rural areas have met these challenges successfully, achieved some level of prosperity, and are ready (26)_____ the challenges of the future. Others have neither met the current challenges nor positioned themselves for the future. Thus, concern for rural America is real. And, while rural America is a producer of critical goods and services, the (27)_____ goes beyond economics. Rural America is also home to a fifth of the Nation's people, keeper of natural amenities and national treasures, and safeguard of a/an (28)_____ part of American culture, tradition, and history.

Question 19: A. advantage B. key C. challenge D. access

Question 20: A. because B. when C. since D. while

Question 21: A. means B. patterns C. tools D. styles

Question 22: A. turn B. make C. offer D. force

- Question 23:** A. rural B. lateral C. abroad D. foreign
Question 24: A. effect B. encourage C. affect D. stimulate
Question 25: A. involve B. evolve C. bring D. derive
Question 26: A. in B. for C. with D. of
Question 27: A. research B. stimulus C. concern D. impatience
Question 28: A. unique B. incredible C. simple D. abnormal

Mark the letter A, B, C, or D on your answer sheet to indicate the sentence that is closest in meaning to each of the following questions.

Question 29: “My company makes a large profit every year. Why don’t you invest more money in it?” my friend said to me.

- A. My friend persuaded me to invest more money in his company.

- D. The boy begged his mother not to tell his father about his mistake.

Mark the letter A, B, C, or D on your answer sheet to indicate the word or phrase that is OPPOSITE in meaning to the underlined part in each of the following questions.

Question 34: Fruit and vegetables grew in abundance on the island. The islanders even exported the surplus.

- A. excess B. sufficiency C. small quantity D. large quantity

Question 35: There is growing concern about the way man has destroyed the environment.

- A. ease B. attraction C. consideration D. speculation

Read the following passage adapted from A. Briggs’ article on culture, Microsoft® Student 2008, and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 36 to 45.

Culture is a word in common use with complex meanings, and is derived, like the term *broadcasting*, from the treatment and care of the soil and of what grows on it. It is directly related to cultivation and the adjectives *cultural* and *cultured* are part of the same verbal complex. A person of culture has identifiable **attributes**, among them a knowledge of and interest in the arts, literature, and music. Yet the word *culture* does not refer solely to such knowledge and interest nor, indeed, to education. At least from the 19th century onwards, under the influence of anthropologists and

sociologists, the word *culture* has come to be used generally both in the singular and the plural (*cultures*) to refer to a whole way of life of people, including their customs, laws, conventions, and values.

Distinctions have consequently been drawn between primitive and advanced culture and cultures, between elite and popular culture, between popular and mass culture, and most recently between national and global cultures. Distinctions have been drawn too between *culture* and *civilization*; the latter is a word derived not, like culture or agriculture, from the soil, but from the city. The two words are sometimes treated as synonymous. Yet this is misleading. While civilization and barbarism are pitted against each other in what seems to be a perpetual behavioural pattern, the use of the word *culture* has been strongly influenced by conceptions of evolution in the 19th century and of development in the 20th century. Cultures evolve or develop. They are not **static**. They have twists and turns. Styles change. So do fashions. There are cultural processes. What, for example, the word *cultured* means has changed substantially since the study of classical (that is, Greek and Roman) literature, philosophy, and history ceased in the 20th century to be central to school and university education. No single alternative focus emerged, although with computers has come electronic culture, affecting kinds of study, and most recently digital culture. As cultures express themselves in new forms not everything gets better or more civilized.

The multiplicity of meanings attached to the word made and will make it difficult to define. There is no single, unproblematic definition, although many attempts have been made to establish one. The only non-problematic definitions go back to agricultural meaning (for example, cereal culture or strawberry culture) and medical meaning (for example, bacterial culture or penicillin culture). Since in anthropology and sociology we also acknowledge culture clashes, culture shock, and counter-culture, the range of reference is extremely wide.

Question 36: According to the passage, the word *culture* _____.

- A. is related to the preparation and use of land for farming
- B. comes from a source that has not been identified
- C. develops from Greek and Roman literature and history
- D. derives from the same root as *civilization* does

Question 37: It is stated in paragraph 1 that a cultured person _____.

- A. has a job related to cultivation
- B. does a job relevant to education
- C. takes care of the soil and what grows on it
- D. has knowledge of arts, literature, and music

Question 38: The author remarks that *culture* and *civilization* are the two words that _____.

- A. share the same word formation pattern
- B. have nearly the same meaning
- C. are both related to agriculture and cultivation
- D. do not develop from the same meaning

Question 39: It can be inferred from the passage that since the 20th century _____.

- A. schools and universities have not taught classical literature, philosophy, and history
- B. classical literature, philosophy, and history have been considered as core subjects
- C. classical literature, philosophy, and history have not been taught as compulsory subjects
- D. all schools and universities have taught classical literature, philosophy, and history

Question 40: The word “**attributes**” in paragraph 1 most likely means _____.

- A. fields
- B. qualities
- C. aspects
- D. skills

Question 41: The word “**static**” in paragraph 2 could best be replaced by “_____”.

- A. unchanged
- B. balanced
- C. regular
- D. dense

Question 42: Which of the following is NOT stated in the passage?

- A. Anthropology and sociology have tried to limit the references to *culture*.
- B. Distinctions have been drawn between *culture* and *civilization*.
- C. The use of the word *culture* has been changed since the 19th century.
- D. The word *culture* can be used to refer to a whole way of life of people.

Question 43: It is difficult to give the definitions of the word *culture* EXCEPT for its _____.

- A. agricultural and medical meanings
- B. philosophical and historical meanings
- C. historical and figurative meanings
- D. sociological and anthropological meanings

Question 44: Which of the following is NOT true about the word *culture*?
A. It differs from the word *civilization*. B. It evolves from agriculture.
C. Its use has been considerably changed. D. It is a word that cannot be defined.

Question 45: The passage mainly discusses _____.
A. the multiplicity of meanings of the word *culture*
B. the distinction between *culture* and *civilization*
C. the figurative meanings of the word *culture*
D. the derivatives of the word *culture*

Mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions.

Question 46: Our boss would rather _____ during the working hours.
A. we didn't chat B. we don't chat C. us not chat D. us not chatting

 A. what they said B. what has said C. which they said D. that they were said
- Question 69:** “_____ you treat him, he'll help you. He's so tolerant.”
 A. In addition to B. Even though C. As if D. No matter how
- Question 70:** The village was _____ visible through the dense fog.
 A. mostly B. hard C. only D. barely

Read the following passage adapted from Cultural Guide - OALD, and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 71 to 80.

The issue of equality for women in British society first attracted national attention in the early 20th century, when the suffragettes won for women the right to vote. In the 1960s feminism became the subject of intense debate when the women's liberation movement encouraged women to reject their traditional supporting role and to demand equal status and equal rights with men in areas such as employment and pay.

Since then, the **gender gap** between the sexes has been reduced. The Equal Pay Act of 1970, for instance, made it illegal for women to be paid less than men for doing the same work, and in 1975 the Sex Discrimination Act aimed to prevent either sex having an unfair advantage when applying for jobs. In the same year the Equal Opportunities Commission was set up to help people claim their rights to equal treatment and to publish research and statistics to show where improvements in opportunities for women need to be made. Women now have much better employment opportunities, though they still tend to get less well-paid jobs than men, and very few are appointed to top jobs in industry.

In the US the movement that is often called the “first wave of feminism” began in the mid 1800s. Susan B. Anthony worked for the right to vote, Margaret Sanger wanted to provide women with the means of contraception so that they could decide whether or not to have children, and Elizabeth Blackwell, who had to fight for the chance to become a doctor, wanted women to have greater opportunities to study. Many feminists were interested in other social issues.

The second wave of feminism began in the 1960s. Women like Betty Friedan and Gloria Steinem became associated with the fight to get equal rights and opportunities for women under the law. An important issue was the Equal Rights Amendment (ERA), which was intended to change the Constitution. Although the ERA was not passed, there was progress in other areas. It became illegal for employers, schools, clubs, etc. to discriminate against women. But women still find it hard to advance beyond a certain point in their careers, the so-called **glass ceiling** that prevents them from having high-level jobs. Many women also face the problem of the second shift, i.e. the household chores.

In the 1980s, feminism became less popular in the US and there was less interest in solving the remaining problems, such as the fact that most women still earn much less than men. Although there is still discrimination, the principle that it should not exist is widely accepted.

Question 71: It can be inferred from paragraph 1 that in the 19th century, _____.

- A. British women did not have the right to vote in political elections
- B. most women did not wish to have equal status and equal rights
- C. British women did not complete their traditional supporting role
- D. suffragettes fought for the equal employment and equal pay

Question 72: The phrase “**gender gap**” in paragraph 2 refers to _____.

- A. the social distance between the two sexes
- B. the difference in status between men and women
- C. the visible space between men and women
- D. the social relationship between the two sexes

Question 73: Susan B. Anthony, Margaret Sanger, and Elizabeth Blackwell are mentioned as _____.

- A. American women who had greater opportunities
- B. American women who were more successful than men
- C. pioneers in the fight for American women’s rights
- D. American women with exceptional abilities

Question 74: The Equal Rights Amendment (ERA) _____.

- A. supported employers, schools and clubs
- B. was brought into force in the 1960s
- C. was not officially approved
- D. changed the US Constitution

Question 75: In the late 20th century, some information about feminism in Britain was issued by _____.

- A. the Equal Pay Act of 1970
- B. the Sex Discrimination Act
- C. the Equal Opportunities Commission
- D. the Equal Rights Amendment

Question 76: Which of the following is true according to the passage?

- A. The US movement of feminism became the most popular in the late 20th century.
- B. The women’s liberation movement in the world first began in Britain.
- C. The movement of feminism began in the US earlier than in Britain.
- D. The British government passed laws to support women in the early 20th century.

Question 77: The phrase “**glass ceiling**” in paragraph 4 mostly means _____.

- A. an overlooked problem
- B. a ceiling made of glass
- C. an imaginary barrier
- D. a transparent frame

Question 78: Which of the following is NOT mentioned in the passage?

- A. Many American women still face the problem of household chores.
- B. An American woman once had to fight for the chance to become a doctor.
- C. British women now have much better employment opportunities.
- D. There is now no sex discrimination in Britain and in the US.

Question 79: It can be inferred from the passage that _____.

- A. the belief that sex discrimination should not exist is not popular in the US
- B. women in Britain and the US still fight for their equal status and equal rights
- C. the British government did not approve of the women’s liberation movement
- D. women do not have better employment opportunities despite their great efforts

Question 80: Which of the following would be the best title for the passage?

- A. Women and the Right to Vote
- B. Opportunities for Women Nowadays
- C. The Suffragettes in British Society
- D. Feminism in Britain and the US

----- THE END -----
